## **TCEQ Air Monitoring Updates**

The best way for interested parties to obtain frequent updates on TCEQ's response activities, including progress to bring the stationary air monitoring network back online, is to sign up for press releases and utilize the resources available on the TCEQ website including the [Texas Air Monitoring Information System](#) and [GeoTAM](#), our interactive geographical representation of air quality monitoring in Texas.

This is a link to a webpage that contains information on how to sign up for e-mails or texts whenever we add a news release to our website.
